

## DISCOVERING HISTORIC WALLINGFORD

**Wednesday, 8 June 2011**

9.45 am – 4.15 pm

This Study Day is organised by Thameside (Wallingford) U3A. It will provide an insight into some of the events and the citizens that have shaped the history of the ancient Borough of Wallingford.

The programme includes two lectures by the eminent local historian **Judy Dewey**, which will take place at the Corn Exchange, in the centre of Wallingford. There will then be the opportunity to participate in interactive *Special Interest Groups* led by local experts, with a choice of the following activities:

- ◆ **Castle Walk: The Gardens and Meadows**
- ◆ **Town Hall Presentation**
- ◆ **Three Churches**
- ◆ **Town Walk into History**
- ◆ **Wallingford Museum**

The programme is designed to bring the history of Wallingford to life and explore some of the town's hidden treasures.

This Study Day is part of the Thames Valley U3A Network *Riverside Project* and members from other TVN branches will be warmly welcomed to this day of discovery in Historic Wallingford.

*More detailed information and application forms will shortly be posted on our website:*
