

Riverside Journal - March 2011

Len Smith, our web site wizard, tells me that the Journal is often too big a document for many people to download easily, so here is a simplified version with no photographs! (There are lots on the web site – do have a look.)

We hope that, as a result, as many of you as possible will print off a copy and put it on the Notice Board at your next U3A or group meeting. Around 50% of the Thames Valley Network members do not have e-mail so the only way that information can be passed on is with your help – PLEASE.

The Calendar for Spring and Early Summer is included. Other items may be added later. Details of some of the major events are attached in the same mailing as this Newsletter. As always, flyers and applications may be found on the TVN web site

www.u3atvnetwork.org.uk

or direct from the organiser.

Many activities have been continuing through the winter months and the spring season kicked off with a very successful Activities Day in Dorchester attended by over one hundred members.

The momentum for this summer is building fast so book early for some of the major events, especially for “Riverside Revealed” at Wellington College in the autumn. Do join us too for the Planning Day in Goring on 8th July and have your say on the future of the project.

Don't forget some of the ongoing activities associated with Riverside:

The **Kingfisher Watch**, Jon Cole jon@cole87.freemove.co.uk 07875 475 788 would like to know every time you see a kingfisher, where and when it was, and if you manage to take a photograph so much the better.

Adopt a Lock is open to any TVN U3A, group or individual. Many locks have not yet had a claim staked so please contact Robin Ford robin@fordmail.co.uk 01494 727768 and let him know which lock you would like to study.

The **Riverside Poetry Competition** is open to every member and you really don't have to be Keats or Wordsworth to take part. Please send your entry, long or short, to Susie Berry susie.berry@virgin.net or post to Poppets Hill Farmhouse, Stoke Talmage, OX9 7HB
