

AI and its use in digital photography.

Wednesday 14th.May 10.30 on Zoom.

Alun Morgan will offer a layman's view on the subject of the use of AI (Artificial Intelligence).
in digital photography.

Alun is a retired lecturer from the Open University. He assures us that he is not an expert on AI, but is someone who has put a lot of effort into finding out what it is all about. From that he has investigated the use that can be made of AI in the processing of digital photos.
