A musical foray into both worlds of music

Clive Aronson will be demonstrating how certain classical music converts perfectly to pop and/or is then used in the movies as part of the movie themes. I think this will be a very interesting talk to people interested in the world of classical music, pop music as well as the movies.

Fee for this event is £2. Please book electronically by clicking on the 'TICKETSOURCE' icon immediately below the event on www.u3atvnetwork.org.uk This is by far the best and easiest option.
