

Pandemics!

What are these microbes that threaten us?

A Talk given by Dr Jeffrey Almond

Monday 13th April 2026 at 10.30 a.m. on Zoom

poliovirus particle

Dr Jeffrey Almond, is retired Professor of Microbiology at the University of Reading with a specific interest in Virology. His groundbreaking research included identifying the detailed structure of avian and human influenzavirus and poliovirus. Jeffrey has also led research into new bacterial and viral vaccines with Sanofi Pasteur.

Fee for this event is £2. Please book electronically by clicking on the 'TICKETSOURCE' icon immediately below the event on TVN website (u3atvnetwork.org.uk). This is by far the best and easiest option. You will receive an acknowledgement immediately and the Zoom link 48 hours before the event. If you experience any difficulty and have checked your JUNK folder, please email the organiser Jane Sellwood janesellwood09@gmail.com with your name and the u3a to which you belong. If you have not received the Zoom link by midnight Saturday 11th April, please email the organiser as above. PLEASE DO NOT WAIT UNTIL THE DAY OF THE EVENT.

Closing date April 10th, 2026 (No further applications after this date).

(Please note: TVN does not record any of its events.)

To receive details of future TVN events, please send your name and preferred email address to events_info@u3atvnetwork.org.uk
